BIO 121 - General Biology II

Original BarTech CBT Study Guide

BarTech CBT Study Resources Library

Purpose

This original guide is a concise revision framework for university lectures, tests and C

Use this guide with your lecturer notes, official course outline and approved textbooks.

Core Topics

1. Plant and animal diversity and major biological groups.
2. Plant structure, transport, nutrition and reproduction.
3. Animal organization, major body systems and adaptation.
4. Evolution, natural selection, variation and classification.
5. Ecology, biodiversity, conservation and environmental interactions.
6. Basic physiology and homeostatic regulation in living organisms.

Revision Checklist

1. Define key terms and explain the main ideas in your own words.
2. Review examples, diagrams, processes and calculations where applicable.
3. Practise questions without checking the answer before you finish.
4. Use the BarTech CBT course page for self-check and CBT practice.
